Application serial no. **77641541** has been amended as follows:

ARGUMENT(S)

In response to the substantive refusal(s), please note the following:

In response to the Examiner's refusal to register the currently pending mark while relying on Section 2(d) and US Trademark Registration No. 3936197 for PORNTUBE, Applicant offers the following:

Applicant and the holder of US Trademark Registration No. 3936197 executed a consent agreement which was finalized on February 1, 2011 regarding the registration of the marks currently at issue (Application Ser. No. 77/641,541 for PORNOTUBE and Application Ser. No. 77/603,111 for PORNTUBE) and agreed that:

1. Both parties recognized the validity of each others use of their respective marks in connection with their respective goods and services and wish to avoid any conflict with the others use or registration of its mark
2. Both parties met, conferred and agreed regarding a mutual consent to register and wish to prevent any likelihood of confusion
3. Due to the nature of the services of the Parties, the differences in the services provided, and the sophistication of users in the marketplace, namely online users, the parties believe that no confusion will result if both parties use their respective trademarks in connection with their respective services. In the highly unlikely event that confusion does arise, the Parties agree to cooperate to take steps to alleviate any such confusion.
4. The Parties affirmatively declare and state that no confusion has occurred to date despite continuous use of the respective marks by both parties. The Parties have both been continuously using their respective marks simultaneously in the marketplace for over four (4) years and have not documents one instance of public confusion or mistake in the origin of the services provided and believe this supports the contention that no likelihood of confusion will be, or has been, created by the coexistence of these marks in the marketplace.
5. The Parties understand the nature of the internet, including the various audiences and channels of trade, and have arranged to work together in a manner that addresses any concerns regarding likelihood of confusion. With such arrangement, the Parties do not believe confusion is likely to result especially in light of the fact that there has been an extended period of co-existence, during which time confusion did not result.

A copy of the consent agreement accompanies this response.

Additionally, Applicant has also secured registration of the identical mark PORNOTUBE as US Trademark Ser. No 85/232,484. In light of the above evidence, Applicant respectfully requests that the Examiner withdraw the Section 2(d) refusal and that the currently pending mark be allowed.

**CONSENT AND COEXISTENCE AGREEMENT
FOR USE AND REGISTRATION OF TRADEMARKS**

This Consent and Coexistence Agreement for Use and Registration of Trademarks (the "Agreement") is entered into between WMM Holdings, LLC ("WMMH"), a Nevada corporation with its principal place of business at 500 Archdale Drive, Charlotte, North Carolina 28217 and EMC Ideas, Inc. ("EMC"), a New Jersey corporation with its principal place of business at 611 K Street, Suite B202, San Diego, California 92101, with reference to the following facts:

- A. **WHEREAS**, WMMH has used and has made continuous use of the mark PORNOTUBE in connection, in part, with downloadable digital materials and streaming of audiovisual material and alleges use of the mark since at least as early as July 31, 2006, has successfully opposed a previous attempt by a third party to register the mark PORNOTUBE on or about April 2, 2008, and has filed U.S. Trademark Application, Serial No. 77/641,541 on December 30, 2008, for the mark PORNOTUBE ("the WMMH Application");
- B. **WHEREAS**, WMMH intends to use the mark PORNOTUBE generally in connection with production, distribution and broadcasting of audiovisual and multimedia materials through various broadcast methods including but not limited to television, cable television, internet television and satellite television, intends to file a new application for intent to use with the United States Patent and Trademark Office (the "New WMMH Application"), and has informed EMC of its intent and obtained permission from EMC to do so;
- C. **WHEREAS**, EMC has used and has made continuous use of the mark PORNTUBE in connection, in part, with entertainment services and providing of photographs, and audiovisual materials and alleges use of the mark since at least as early as May 2005, and has filed U.S. Trademark Application, Serial No. 77/603,111 on October 29, 2008, for the mark PORNTUBE ("the EMC Application");

E. **WHEREAS**, the EMC Application published for opposition April 21, 2009;

F. **WHEREAS**, WMMH filed an opposition proceeding against the EMC Application on October 19, 2009, Opposition No. 91/192,320 (the “Opposition”); and,

G. **WHEREAS**, the parties hereto recognize the validity of each other's use of their respective marks in connection with their respective goods and services and wish to avoid any conflict with the other's use or registration of its mark

H. **WHEREAS**, the parties have met, conferred and agreed regarding a mutual consent to register and wish to prevent any likelihood of confusion by working together to prevent confusion and address any concerns relating thereto which may arise by entering into this Agreement.

NOW, THEREFORE, for good and valuable consideration, the receipt and adequacy of which is hereby acknowledged, the parties agree as follows:

1. The Recitals are hereby incorporated into the Agreement by reference.
2. Due to the nature of the WMMH Services and the EMC Services, the differences in the services provided, and the sophistication of users in the marketplace, namely online users, the parties believe that no confusion will result if both parties use their respective trademarks in connection with their respective services. In the highly unlikely event that confusion does arise, the Parties agree to cooperate to take steps to alleviate any such confusion.
3. The parties affirmatively declare and state that no confusion has occurred to date despite continuous use of the respective marks by both parties. The parties have both been

continuously using their respective marks simultaneously in the marketplace for over four (4) years and have not documented one instance of public confusion or mistake in the origin of the services provided and believe this supports the contention that no likelihood of confusion will be, or has been, created by the coexistence of these marks in the marketplace.

4. The parties understand the nature of the internet, including the various audiences and channels of trade, and have arranged to work together in a manner that addresses any concerns regarding likelihood of confusion. With such arrangement, the parties do not believe confusion is likely to result especially in light of the fact that there has been an extended period of coexistence, during which time confusion did not result.

5. EMC agrees and consents to, will take no action to interfere with, and will not challenge the registration of the WMMH Application, and to the use of the WMMH Mark pursuant to U.S. Trademark Application, Serial No. 77/641,541, and any registration issuing therefrom, by WMMH, its subsidiaries, assigns and successors-in-interest in connection with the WMMH Services. This Agreement will be filed by WMMH with the United States Patent and Trademark Office to support registration of Application Serial No. 77/641,541.

6. EMC has been informed of and agrees to the use and New WMMH Application, to be filed by WMMH for the PORNOTUBE mark, which will include production and distribution of audiovisual materials to be distributed by various television platforms, and consents to and will not challenge the new application by WMMH for the PORNOTUBE mark. This Agreement shall be filed by WMMH along with any New WMMH Application.

7. EMC agrees that it will cooperate with WMMH to prepare additional "consent to use and registration" documents if this Agreement is not accepted by the United States Patent and Trademark Office in connection with Application Serial No. 77/641,541, or the New WMMH Application.

8. WMMH agrees and consents to, will take no action to interfere with, and will not challenge the registration of the EMC Application, and to the use of the EMC Mark pursuant to U.S. Trademark Application, Serial No. 77/603,111, and any registration issuing therefrom, by

EMC, its subsidiaries, assigns and successors-in-interest in connection with the EMC Services. WMMH agrees that it will cooperate with EMC to register the EMC Application, if necessary, for the EMC Services, including but not limited to execution of an acceptable letter of consent to register the EMC Mark.

9. WMMH has been informed of and agrees to the use and possible New EMC Application, to be filed by EMC for the PORNTUBE mark, generally in connection with the production, distribution and broadcasting of audiovisual and multimedia materials, and consents to the use of the mark and will not challenge the new application by EMC for the PORNTUBE mark. This Agreement shall be filed by EMC along with any New EMC Application.

10. WMMH agrees that it will cooperate with EMC to prepare additional "consent to use and registration" documents if this Agreement is not accepted by the United States Patent and Trademark Office in connection with the potential New EMC Application.

11. The parties agree to continue to take reasonable steps to prevent any confusion due to the coexistence and registration of their respective marks, to notify each other of any incidences of actual confusion of which they become aware, and will work together to remedy any confusion in the event that any incidences of confusion occur. The parties agree to attempt good faith efforts to resolve any conflicts that may arise and agree to take all reasonable measures and precautions to avoid confusion in the marketplace.

12. Within five days of the execution of this Agreement by both Parties, WMMH shall file a request to withdraw the Notice of Opposition with prejudice.

13. This Agreement shall inure to the benefit of the parties, their heirs, successors, assigns, employees, officers, agents and representatives.

14. This Agreement shall be deemed executed and delivered within the State of California and shall be governed by, construed, and enforced pursuant to the laws of the State of California without reference to the conflicts of laws provisions thereof. The Parties hereby

16. This Agreement constitutes the entire agreement between the parties, superseding any and all previous oral or written representations, communications, understandings or agreements.

17. This Agreement will be interpreted or construed with no presumption that provisions are to be construed against the Party which, itself or through its agents, prepared this Agreement. The Parties' respective counsel and other agents have fully and equally participated in the preparation, negotiation, review and approval of all of the provisions in this Agreement.

18. This Agreement may be executed in one or more counterparts, each of which shall be deemed an original and all of which shall be taken together and deemed to be one instrument.

FAQ

General

- **How often is 4Tube updated?**
23 times a day! That's new content **every hour!**
- **How can I download the videos?**
You can download the videos by clicking the "download full scene" button on the playback pages which will take you to the external site that will let you download the video
- **Who is 4Tube's sister site?**
[Gals4Free.net](#). Gals4Free is a long standing, highly ranked site full of galleries. Every girl you see on 4Tube will be on Gals4Free. You can even see how many galleries a girl has on Gals4Free on their profile page!
- **Do you have any amateur content as well?**
Bored of the produced stuff at the moment? You can find masses of amateur, home-made content over at [Fux.com](#).

Player

- **Why can't I play the videos?**
4Tube servers videos in the H.264 format - this means we can give you high quality videos at no additional cost to the user. To be able to play back videos, you must have at least version 9,0,124 of [Adobe Flash Player](#) installed. This is because H.264 is not supported before version 9,0,115, and 9,0,124 has **important security updates**.
- **Videos won't buffer**
We don't use what is known as 'progressive download' on 4Tube. We stream the videos to you meaning you can jump to ANY part of the video whenever you want. No need to hit pause and wait for enough to download before you get to see the action!
- **How do I embed your player on my site?**
For information on embedding the player, contact support@4tube.com

Advertising on 4Tube

- **How can I advertise on 4Tube?**
To advertise on 4Tube please contact support@4tube.com
- **How can I get my site and videos on 4Tube?**
We hand-pick content for 4Tube. To have your site and videos considered for 4Tube, contact support@4tube.com
- **Can I hotlink or use your images?**
In short, no. Doing so is violating the copyright owner's rights. Please contact the copyright owner for images/content you can use. They're usually more than happy to help you out.

So are you a TGP / MGP / TUBE / BLOG site owner and want to make some extra cash?

- **We have been buying traffic of all kinds on a pay per click basis.**
(Different payouts for different types of traffic)
- **We have a wide range of tools for you to work with.**
From RSS feeds to custom dynamic Iframes
- **How do I get in touch?**
